Happy new year to you and Bill--and Chelsea! Congrats on the upcoming marriage. A good sign, I hope, that this year will be better. Onward, upward. Sid -----Original Message-----

Thx for sending the emails about the Nigerian. We are working on all of the issues raised.

I hope you, Jackie and the boys (men??) have a happy, healthy, prosperous 2010. I will look forward to seeing more of you in the upcoming months.

All the best, H
