Brazil-EU meeting to discuss Haiti reconstruction: official

BRASILIA, February 3, 2010 (AFP) - A foreign ministers' meeting between Brazil and the European Union in Madrid later this month is to discuss reconstruction of quake-devastated Haiti, Iran and Middle East peace, Brazil foreign ministry said Wednesday.

The February 15 gathering in Madrid, held under Spain's presidency of the European Union, will be attended by Brazilian Foreign Minister Celso Amorim, the ministry said.

Negotiations on a deal between the South American trade bloc Mercosur and the European Union will also be discussed, along with climate change and the next EU-Latin America summit to be held in Madrid in May.
