CDM:

At behest of PDT, I tried to call you just minutes ago to ask about your availability for phone call from him this afternoon.

- First choice: 5:00 p.m. (your time)
- Alternative: 7:00 p.m.
- If neither works for you, then propose time and we'll accomodate.

Two options to suggest:

1. With our individual cell phones, it is difficult to involve third person - to wit, me. Could you arrange for a conference type number and code to which PD and I could call separately? B1  
1.4(B)
  2. Or as alternative, do you have capacity to call us separately to turn it into a conference call? 1.4(D)
- Either option would not only make for a smoother conversation, but would also allow me to not have to be in same location as PDT.

[Redacted] so best that call be today.

Regards.
