B5

On the speech, it might be 15 but not much more. Dan K-P has taken over drafting [Redacted]
[Redacted] He has been incorporating fine-tuning edits today. I will email you a draft shortly, which will be tweaked
in the am. [Redacted] Unfortunately, there is no teleprompter at the UN.

Also, I just saw on the schedule I was expected to speak for only 12 minutes. I think the speech as written is longer but I haven't seen the final draft. Is there a teleprompter?

I also don't yet have any briefing materials. Will I get them tonight or tomorrow morning?
