Congress

Secretary's public comments in NZ and all Congressional calls have contributed to excellent momentum on New START that Rich will continue to promote.

India

Indians have expressed reluctance to announce C17 purchase; Roemer still working it. Menon said he's optimistic civ-nuke issues will be agreed tomorrow. Mixed press coverage of President's upcoming trip, including controversy over cost.

Haiti

Heavy rains hitting western region, but bulk of Hurricane Tomas appears to be just missing landfall. Humanitarian relief operations are primed and on standby.

Indonesia

Harshes eruption yet from Mt. Merapi killed 58. 80,000 now displaced.

Philippines

Police arrested suspected terrorists with 1200 lbs of ammonium nitrate, in midst of reports of an imminent terrorist attack.
