**Subject:** Re: (Reuters) Saudi king told to rest over slipped disc

Been a pretty slow day. Can u reply all on this email?

- dennis ross asking to do secure call at 9:30 instead of 10. Is that ok?
- bill burns wants to give you trip download in person so he will come see you monday.
- I just got a call sheet for netanyahu which I'm told you may do over weekend.
- I sent draft remarks for dorothy height service for your review.
- geoff morell just reported that wash post is going to run your/gates start oped on monday.
- also a new call list coming your way. Only new call is ted deutch returned your call. The rest of the outstanding foreign calls are in your folder but we haven't done anything with them.
- I connected with [ ] today who said [ ] offered to keep her job for 2 more years. [ ] still seems inclined to want to come to you but I encouraged her to stay
- we got our allotment for wh holiday tour tickets so we have been offering to people
- I saw jen hanley today who is doing very very well and sends her best to you.

**Subject:** (Reuters) Saudi king told to rest over slipped disc

RIYADH (Reuters) - Saudi Arabia's King Abdullah has been told by doctors he had to rest because he had a slipped disc, the state-news agency SPA reported on November 12. SPA quoted a royal court statement as saying doctors had ordered the king, who is in his 80s, to rest under a treatment plan.
