Jake, we just got off conf call re status of ep vote on tftp. The debate this aft was dramatic. The council + commission apologized for mishandling the issue + begged mep's not to take out their frustration on interim agreement which is saving lives. Both epp leader ver hofstadt + socialist leader schultz responded by openly advocating postponement.

After debate party leaders met but failed to achieve consensus on postponement. [redacted]

B5

We are now working on contingency press guidance. [redacted]
