B6

I have just received this email on my personal account, which I check much less frequently than my State account.

I have not received any emails from you on my State account in recent days -- for example, I did not get the email you sent to me and Feltman on the Egyptian custody case. Something is very wrong with the connection there. I suppose a near-term fix is to just send messages to this account -- my personal account -- and I will check it more regularly.

B5

I have a written readout [redacted] that I will send home tonight for you.

I spoke with Cannon's guy yesterday and told him we'd come back to him Monday or Tuesday. I'll have CDM follow up with Rangel and then take it from there.

I'm never sure which of my emails you receive so pls let me know if you receive this one and on which address you did.

Petraeus told me he had given Gates what he wanted from Canada. Will you or Cheryl pls check w Rangel so we can pass onto Cannon?

Did you get the email I sent to you and Feltmann about the Egyptian custody case?

I am supposed to talk w Blair [redacted] this am. What happened at the mtg on Friday? Anything else I need to know before the calls?
