Subject: Re: What does summer mean?

I read the below as by the end of September, technically. No later than sometime in September, whether the 1st or 30th.

it was by end of Sept so does your formula mean beginning, middle, end? Or just sometime in Sept?

If you get pressed on what exactly summer means, we are using this formula:

The commanders would have some flexibility about when it will be finished, but no later than September.
