Subject: Connecting Ric Barton and Maureen White

Rick

Per our conversation this morning, I am connecting you with Maureen White, [redacted]
[redacted] Since our
activities in Pakistan are in a challenged place, [redacted]
[redacted]

B5
B6

You are both on holiday but I thought perhaps you could connect via telephone for a bit and then find time to meet when you are both back in the office.

(Maureen – Rick has been working with Karin Von Hippel to the framework for the Civilian Security Operations Bureau – a new bureau identified in the QDDR; we are seeking to have him run the bureau though that information is not public so welcome your discretion).

If you all could connect and revert I would be grateful.

Best.
