B5

We had a AID/State assessment team in Tunisia, and it came up with a good general approach (i.e., the U.S. supports civil society, NGOs, the media, etc., whereas the Europeans will support government functions in support of free and fair elections) [redacted] Tunisia does not have an AID mission or ESF account, so we can't simply reprogram funds from existing Tunisia pipelines. Helping Tunisia has to come from elsewhere. [redacted]

[redacted]
