Thanks – good timing as I was about to send 3 to 4 candidates to Kris and Lois for initial interviews for the faith-based role.

Also, unfortunately I am striking out on the 4 individuals S wanted for UNGA – [redacted] declined given timing, [redacted] has not returned my call or email, and within the past week an issue arose with [redacted] so I did not reach out (can give you further details next time we meet). I'm not sure if you/S want to re-visit [redacted] in this role, but wanted to flag.
