Cheryl:

Thank you so much. It is the honor of a lifetime. Truly.

And by including me on the same list w Bill, you save us a lifetime of bickering over who is more senior.

Promotion and marital happiness. Pretty darned good deal. Thank you!

Best from Thailand's monsoon season, Kristie

On your confirmation by the Senate this morning for personal rank of Career Ambassador in recognition of especially distinguished service over a sustained period.

Well deserved.
