This email is in the same spirit as Julia's previous readouts:

GM spoke to FS Hague at 1615 EST. GM raised tomorrow's EU FM meeting in Brussels and on the idea discussed earlier with [redacted] re: a re-affirmation of the principles of the EU December 2009 statement.

[redacted] Mitchell also mentioned that the Secretary spoke with

Ashton earlier today.

1.4(D)

Hague referenced PM Cameron's conversations with both Netanyahu and Abbas, at our request, to urge serious and credible direct negotiations. He said a readout should be circulating among the USG (note: Mitchell indicated that he had not seen it. If you have it, please circulate).
