Mike and Gayle:

I wanted to reach out to you to share that the Secretary would like to recommend [redacted] to serve on the President's Global Development Council now that [redacted]  
[redacted] She was sorry to miss his last meeting yesterday.

As Gayle knows well, he has been a great partner [redacted] Given his terrific work [redacted] and his previous advisory roles for the UN, IFC, and international development organizations, he would be a strong addition to the Council. I checked with him yesterday so I know he wants to continue serving the Administration in a development support capacity.

Below is his bio for your reference.

Let me know if we can provide any additional information on his candidacy. I am also asking Heather to follow-up with PPO.

Best.
