He reaffirmed timing.

I suggested he call JK as the best interlocutor on this matter; he's calling him am so there can be a coordinated departure/swearing in on 1 February.

I also shared our latest information from Corker's team re seeking their 7 days for QFRs (taking the committee to 30 or 31 Jan).

I advised that if there was some unforeseen hiccup, you would be prepared to stay the next week or two to ensure no gap in leadership.
