A few items:

[redacted]

Status of:

There are three public UN reps that the Pres gets to appoint. That's the job [redacted] wants and I really want [redacted] to have it. So we need to tee that up so we get to name at least one if not all three. So we need our strategy. [THESE ARE THE REPS THAT [redacted] HAS BEEN APPOINTING: [redacted] AND ONE THAT HAS NOT YET BEEN APPOINTED: MANAGEMENT - ARE YOU THINKING WE WANT [redacted] FOR THAT? [redacted] -- SO LET'S DISCUSS IF THIS IS INDEED THE POSITION YOU ARE THINKING OF]

[redacted] is a professional hostage negotiator who said he would be happy to help us on pirates and other issues. Should we follow up? [YES - I'LL GET [redacted] NUMBER AND CONNECT [redacted] WITH OUR PIRACY TEAM AND JAKE]

Are you going to ask [redacted] to [redacted] I'd like [redacted] to do that there and in Liberia. [YES - HAD NOT CONSIDERED LIBERIA - WILL FOLLOW-UP]

Let's discuss starting a foreign aid consultation. We could begin w a dinner in the next few weeks. [AGREE -- WORRIED WE ARE B/H HERE AND [redacted] I THINK DINNER MAKES SENSE]

- I THINK WE SHOULD SET IT BUT HAVE OUR DESIGNEE FOR AID THERE - HAVING LUNCH AND DINNER WITH [REDACTED] TOMORROW TO TRY TO SEE IF WE CAN CLOSE THAT DEAL.

[REDACTED] WANTS TO COME IN TO SEE YOU TO DISCUSS [REDACTED] THOUGHTS ON AID. I THINK WE SHOULD BRING [REDACTED] IN BEFORE THE DECISION IS MADE SO [REDACTED] HAD A HEARING ON THE POSITION AND YOU SHOULD SEE [REDACTED] -- PERHAPS AS EARLY AS TOMORROW. THOUGHTS ON THAT?]
