Hi all,

I think you'll be aware of this from this week's morning meetings, etc, but Jim is traveling for the next week, as follows:

Depart tomorrow for Singapore (to attend the Shangri-La Dialogue; Sec Gates will also be there)

Depart Sunday for Tokyo (meet up in Tokyo with Flournoy, [redacted] and possibly Treasury and DNI for interagency delegation on NK issues) – Jim was previously scheduled to go to Tokyo and also has other meetings set up there (with his regular interlocutors)

B5

Depart Tuesday for Seoul (NK related trip)

Depart Wednesday for Moscow (NK related trip)

Arrive Beijing on Friday (NK related trip)

Some of the above is still subject to change but that's the basic outline. I'll let you know of any major changes.

Jim will not be in the office tomorrow before departing. He will return to the office on Monday June 8.

Pam Park from our staff will be traveling with Jim for the entire trip.
