Subject: Opportunities

Hey Justin,

I plan on being in Little Rock on Nov. 18 for the anniversary and was hoping to get a minute to visit with the President. However, after reading all of the activities they have planned for that day it might be impossible.

Therefore, if you get a quite moment with him could you ask him something on my behalf? I would like to know if Hillary needs anymore loyal foot soldiers at the State Department?

Thanks and hope to see you and President later this month.

Take care,

B6
