Hi Cheryl -

[redacted]

B5
B6

We need your help to get over the finish line. I don't have a specific ask right now - we'll know more by Monday of next week, but I wanted to give you a heads-up and let you know that it would be tremendously helpful if HRC would be willing to make one or two phone calls on the eve of the cloture vote.

Thanks so much for helping us from beginning to end!

xxoo,
Ann
