Madame Secretary

I hope you had a great Birthday.

I know EB and others have included talking points on the [redacted] deal in Algeria but I wanted to stress its importance in US jobs and investment in [redacted]

B6  
B4

I have been briefed by our old friend [redacted] of [redacted] on its impact for the company's future investments in the Magreb and meeting the electricity needs of Algeria. [redacted]  
Whoever wins this contract will have a leg up on future deals. [redacted] You

[redacted]

Your mention of the project would mean a great deal to [redacted] I have additional materials if you need them.

Safe trip.
