Subject: Cabinet Affairs Thank you

WH Cabinet Affairs was very impressed that the Secretary shared her tickets with the Department via lottery. When they heard of this they gave us an additional 10 tickets, which allowed 3 more staff members to win and bring their families. Overall, we got one of the biggest allotments of Easter Egg Roll tickets.

Should HRC sign a thank you note to Liz and Ben at Cabinet Affairs for their help? I can draft – just a thought. Thanks!
