Cheryl – As per the below, Andrew Shapiro connected with Barry Pavel. Jack has a call in [redacted] and I am not sure when that connection will be made. Jack is happy to call DOD Deputy Secretary Bill Lynn (as per the suggestion below) tomorrow, but felt it would be helpful to get any readout from your conversation with DOD Chief of Staff Rangel before his Lynn call. If you have something you would like me to pass on, pls let me know. In the interim, PM's acting A/S Tom Countryman has let DOD at the working level know that we are not in a position to engage on details of how a UK-style pilot might be structured and that this is too complicated and important to try to cobble something together in the next 24 hours.

To avoid any confusion Andrew's note may generate, what Jack is pushing for:

That's disappointing. I'm still waiting to hear from Pavel who is supposed to be getting back to me "soon".
