Hi Wenchi,

Thanks for asking. Sorry for the delay, just got back from vacation. I'll see [redacted] next Thursday. State of affairs before I left was:

- she had completed the book ms. she was working on.
- seemed to be in a pretty good mood. [redacted]

- the arrangement with [redacted] living with her was working well. I helped [redacted] get an adjunct teaching job.

- she's had a series of checkups with a [redacted]

- I drew up the attached draft proposal, with a primary purpose that I honestly think this would be a fabulous book and a secondary purpose of raising additional funding after this funding runs out. Both OSI and Luce have turned it down and I would welcome any ideas that you and colleagues might have for funding possibilities.

[redacted]

Did I leave anything out?

Keep in touch,

A

Hi Andy,

How are you? Hope your summer is going well. I'm checking in to see how [redacted] doing. Is she still writing her books? And financially speaking, is everything ok?

Thanks again for all your assistance.

Best,
Wenchi
