Madam Secretary- Col Petronzio asked me to send you the below, I hope one day you have the opportunity to meet him. Thanks for getting back to me and forwarding his request. Can't wait to see you next week...xoz

> Madam Secretary-

>

> My name is Pete Petronzio and I am the commander of the 24th Marine
> Expeditionary Unit and I wanted to thank you for your efforts
> yesterday in trying to assist in getting my unit to Haiti. As I am
> sure you are aware there are a number of factors that go into military
> decision making and we were not selected as the unit of choice but
> Marines will be moving soon and that is what is important. The Marine
> Corps selection of which unit to send is not however the topic of my
> note. Madam Secretary I did not vote for you (I'm not a registered
> Democrat) but yesterday I realized that you gained from me something
> infinitely more important than my vote and that was my complete
> respect. I can only assume how crazy your schedule can be but you
> stopped to take the time to listen when it would have been very easy
> not to and something like that means the world to a simple Marine like
> me. A short e-mail has had a very definite impact on me and for that
> I do not know how to thank you.

>

> Respectfully

>
