Jake,

Hope the new job is going well. Just wanted to let you know that EPA's Administrator Lisa Jackson might be calling S. I was in Nairobi with Lisa and she mentioned calling S about some of the environment issues related to Rio 2012. We are working closely with EPA on preparing for that meeting. The key topics are the green economy and the institutional framework for sustainable development.

Also, I believe Lisa is interested in traveling with the president to Brazil and may call to ask S about that. I think it would be a good idea for Lisa to go to Brazil –

Best,
Kerri-Ann
