You're not kidding that nothing about this is easy! I'm off to Geneva to try at least to coordinate better what we are doing. Happy to help about PNB--pls let me know how it goes. All best--H

Dear Hillary

It was great to see you. Thanks so much for giving another push to PNB. It was important for Bill and Kris to hear of your interest directly. I think given what is going on it is more important than ever. FYI I am going to loop OPIC in more Elizabeth Littlefield is really into development You were terrific this am with Christiane. I am getting the most amazing reports from ,NDI people on the ground. Nothing about this is easy.

All best

Madeleine

Thank you so much for seeing us about PNB
