Subject: Political process/ceasefire

Just finished a call with [redacted] and Bill and Derek on the political process/negotiated outcome issue. Between our joint efforts, we'll have something to get to you [redacted] (something pretty unsatisfying, unfortunately, but such is the nature of trying to shape things without owning them) by the time we take off tomorrow. It will be a fairly basic laydown of our take on the key questions around timing, participation, outcomes, role of a ceasefire, accountability issue, etc.
