+ Canegallo and Vinograd

Rafi Barak reports that the plane carrying the Israeli diplomats back to Israel has departed Egypt. The DC stayed behind as previously discussed. Also, the six people in the embassy have still not been evacuated, as there seems to be no safe route to do so. They are safe in the hands of Egyptian forces, but [redacted] 1.4(B) [redacted] I filled him in on SECDEF's call with Tantawi. He 1.4(D) expressed appreciation for all the help. B1

Press reports that Saudi embassy, not too far away, is also under attack. The beef against the Saudis apparently is that some pilgrims were mistreated and that they are friends of Mubarak's.

Gaza police station in the same neighborhood was attacked by a mob, too, and police vehicles etc burned.
