Here's a reality check. Tried to call him back, but no answer. Texted him to call.

Ditto Helga and the Egyptians and Jordanians; nothing back yet.

Tony just spoke to cathy and immediately send an email to the secretary. We will see cathy tomorrow night but she seems to be going full steam for unga but claiming it is short of state hood. This your sense? We are a bit nervous. One of you avail for a quick call from me now? Will be calling it a night soon. If not, can try tomorrow before you leave. Thanks!
