B6

I got through to General Dangot this evening. He said that the next 14-24 hours will be crucial in determining where things are headed in Gaza.

Dangot said that they were able to keep Kerem Shalom open today despite a mortar attack on the Palestinian side that injured 3 Palestinian workers. Erez is also open for internationals and previously approved medical cases. COGAT facilitated a PA convoy of 10 trucks with medical equipment into Gaza today via Kerem Shalom.
