Madam Secretary,

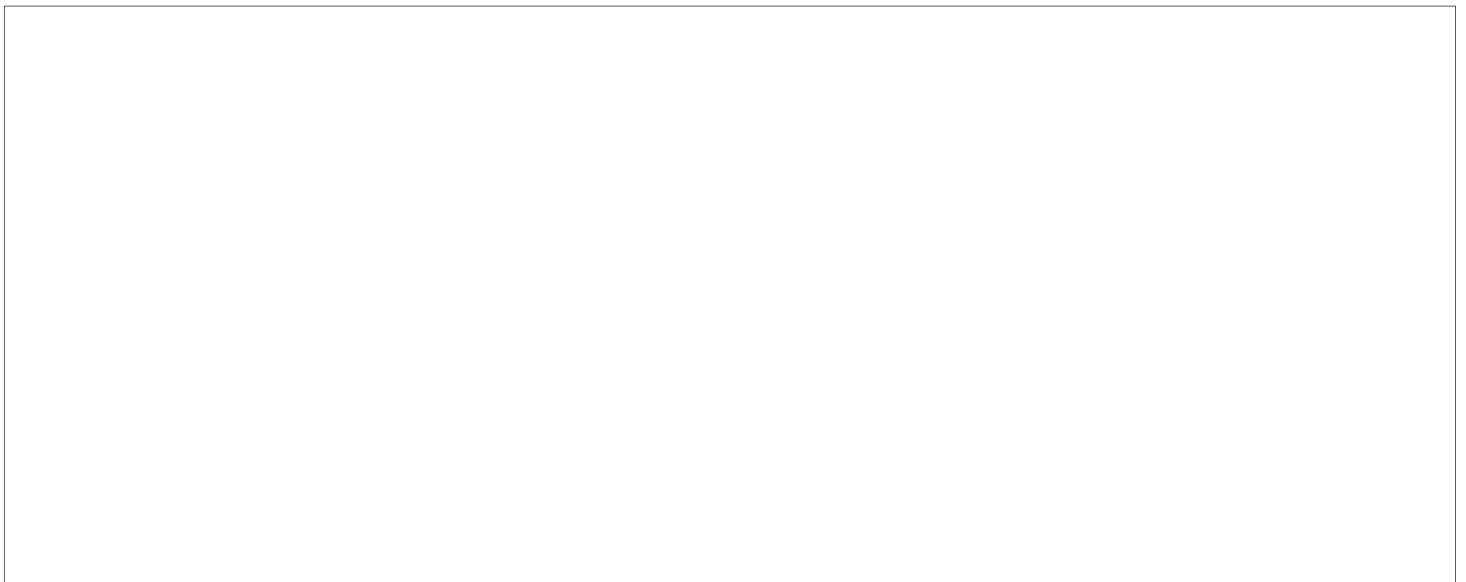

I don't usually forward emails such as below, but given meeting at 5pm, wanted to make sure you knew that situation had changed in the Sinai, in the first instance, for the better. [redacted]

[redacted] It is also important to note that in a different email, while this was still an active issue, David reported that Ros Lethinen had asked Israel directly about desire for Congressional action and Israel told her, after consultation including BN, that things were proceeding quietly and no action by Congress was desired.

Wendy
