Cheryl

The Post Personnel System for USAID in Khartoum shows:

19 US Direct Hire or US Personal Service Contractors

33 Locally Engaged Staff desk personnel

6 Locally Engaged Staff non-desk positions [e.g. guards/gardeners/janitors]

= 58 total.

A recent Embassy table prepared as part of the periodic "rightsizing" review shows:

10 US Direct Hire

11 US Personal Services Contractor

38 LE Staff desk

= 59 total.

I can try to get this reconciled and will try but suspect that these numbers are close enough to answer the question
