postscript: per Erekat, it was agreed that he and Molcho would meet Tuesday or Wednesday to follow up, and their planned, bland joint statement will be issued tonight.

Quick fragmentary readout from Erekat follows; feel free to forward as desired. Will probably learn more tomorrow (though PLO/EC and FCC meet, so probably unlikely) or Monday:

(Meeting started late given end-of-Shabbat-related logistical delay, and lasted ~1.5 hours, Abbas offered dinner, which wasn't planned.)
