She was clearly very touched.

No problem on unga, we can discuss ayc.

Totally fine and appropriate to keep derek and kurt there in addition to cdm. We were going to keep dinner very simple, nice linens and flowers, use your china, jason is cooking.

Also, assk wants to give you gift. Ill have monica show you pics of your gifts for her since you may want to give personally.

Very nice.

I'm on the plane back to DC. Sorry we didn't talk but I was sooo tired. We'll do UNGA today.

Also, do you think there's a problem w my asking Kurt and Derek to stay for dinner? If not, will you pls ask them? Thx.
