**Subject:** Assistance to Hillary Clinton

B6

I was the Dane County Executive, in Wisconsin, for 14 years. Prior to that, I was an environmental attorney for about 20 years. I served as a co-chair to Hillary Clinton's campaign in Wisconsin in 2007-8. I am also a good friend of Teresa Vilmain, Hannah Rosenthal and many others who respect Secretary Clinton so much.

As the Secretary decides what to do in the future, I would like to be of assistance early and often.

Please put me "on the list" to help her.

Thank you.

Sincerely,

Kathleen Falk
