Subject: Tunis Update

Ambassador Walles called Ops with an update and requested it be passed along to principals.

The FAST team is wheels down. The Team is at the Embassy. All staff have departed the premises save the DCM, AMB, and those with security details. AMB and DCM will go home soon and those with security responsibilities will stay overnight. Tomorrow will be spent assessing damage control and preparing for a drawdown. MGT people will likely come into the Embassy to assist with that.

Best regards,
Andrew
