Caitlin:

Just got off the phone with Ambassador Crocker. We're all in agreement. [Redacted]

B5

Ambassador has told the Afghan leadership how critical it is that we are in synch and we had already reached out for a meeting with the Palace spokesman, asap. We'll let you know how that goes.

Best

Eileen

Thanks, Caitlin. [redacted]

Also, I understand it will be presented to the Afghan parliament to ratify only after it is signed.

There may be pressure to sign sooner here once ready, a larger/monumental ceremony in DC before Chicago - [redacted]

Renee, in Laura's absence...

We just spoke to Amb Grossman. Secretary approved the SPA this morning. White House and Embassy have been informed.

We will do official front channel pronto instructing Amb Crocker to conclude (initial?) SPA.

This story will break fast. MG wants to ensure we have our public messaging right. At minimum, we need press guidance fast -- [redacted]

Having said this, let me step out of the way and let you follow up through normal comms channels.

Thank you!
