Subject: CSCC: Time to Go

Friday is my last day at CSCC. Diane Parsont will be acting until Amb. Alberto Fernandez arrives on March 26. For any loose ends, I'll be in the area and on email as I process through the retirement program at FSI. (Diane knows that we owe Jake and Alice a draft briefing for the DCI and possibly other S counterparts.)

CSCC is in good shape but there is still a lot to do, especially in getting key posts overseas fully engaged in our line of work and building skilled interagency teams to assist them. Our digital efforts are strong but they need to continue to evolve intelligently into social media and link up better with related work across government.

I have enjoyed working with a very good group of people at CSCC, but we could not have built this little enterprise without the hands-on support of the Secretary and yourselves. Thank you.

I'm retiring from the Foreign Service but not putting myself out to pasture completely. I'll continue to seek interesting, challenging projects with interesting, challenging people. My email:

**With warm regards,
Richard**

*Coordinator
Center for Strategic Counterterrorism
Communications*

The logo for the Center for Strategic Counterterrorism Communications (CSCC) features the letters "CSCC" in a bold, sans-serif font. The letters are white and set against a dark, textured background that resembles a globe or a map of the world.
