Cheryl

The Post Personnel System for USAID in Khartoum shows:

- 19 US Direct Hire or US Personal Service Contractors
- 33 Locally Engaged Staff desk personnel
- 6 Locally Engaged Staff non-desk positions [e.g. guards/gardeners/janitors]

= 58 total.

A recent Embassy table prepared as part of the periodic "rightsizing" review shows:

- 10 US Direct Hire
- 11 US Personal Services Contractor
- 38 LE Staff desk

= 59 total.

I can try to get this reconciled and will try
but suspect that these numbers are close enough to answer the question

let me know

regards
