Can you all reach out to her to gauge her interest first as she likely would have to give up a lot to do this.

Laura - you and Margaret should decide which of you makes the most sense to do that outreach.

Dear colleagues: Sorry I will not be available for the Secretary's pre-brief tomorrow. Attached is a short note on my START and CFE-related discussions with the Russians this afternoon. As I will be in NYC tomorrow, please don't hesitate to call if you have any questions. The ops center will find me. RG
