hope you are well and enjoying the blessings of The Lord!

i was hanging out with the girls this weekend at [redacted] -- what a great time! -- and i got to chat with cheryl a bit about what's happening with the religious freedom office. i was very glad to learn what was going on -- though not so glad to hear about the challenges you are now facing there. anyway, i wanted you to know that i have been approached by [redacted] they are moving pretty quickly but i expect to get a firm offer in the next few days and i will need to get back to them quickly.
