I spoke with [ ] this morning. She is interested in working with Stephen Rapp in the Office of War Crimes. The office is very small with a limited number of slots.

[ ] She has been in contact with Stephen directly about the possibility of working for him, and he seems favorable about bringing her on board

Cheryl - I sent you the staffing plan for the office earlier today to see if there is a way to make this work. Otherwise, [ ] has expressed interest in DRL, EEB and applying for a career position in L.

Heather and I spoke verbally about this a short while ago, but just to put it in writing...

[ ] has a call into the Secretary about his daughter, [ ] and the status of her pending employment at the State Department. [ ] has been in touch with Heather, but Senator [ ] called today to raise this to the Secretary's level. When I spoke with him, he was getting on a plane, so she doesn't need to call him back imminently, but I will tell her about his call before she leaves tonight.

Heather, could you please provide Huma with a couple of bullets for HRC about [ ] status?

Thanks
