B6

Ban really wants to do this w me but he cannot do it at 3:30 on the 24th because he has to go to P'burgh. He asked that we work w Bob Orr on his staff to find another time if possible. We should try to do that asap. He doesn't leave NY until afternoon of 24th so possible to do in morning. He returns late afternoon on 25th. What can we work out? If all else fails, work w Orr to get the right representative.
