Pictures and info on floor:

It is quarter-sawn White Oak, which was laid in a Fontainebleau design pattern. In addition to the conventional wood strips/planks it might also be available in larger sections, which are easier and less expensive to install rather than the traditional individual planks. David Stearn of Louisville Floors donated the current floor.

My Dear Huma,

It was so great to see you and Secretary Clinton at the Mexico State Dinner this week. Attached are the photos of the wood floors in the East Room that I promised our dear Secretary. Please let me know if the Secretary will need any additional photos and I will be happy to provide more.

Thanks!

Steve Rochon
