Wanted to make sure you all saw what we just put out:

THE WHITE HOUSE

Office of the Press Secretary

For Immediate Release

May 31, 2010

Readout of the President's Call with Prime Minister Netanyahu of Israel

"This morning between 10:00 and 10:15 AM CDT, the President spoke by phone with Prime Minister Netanyahu. He said he understood the Prime Minister's decision to return immediately to Israel to deal with today's events. They agreed to reschedule their meeting at the first opportunity. The President expressed deep regret at the loss of life in today's incident, and concern for the wounded, many of whom are being treated in Israeli hospitals. The President also expressed the importance of learning all the facts and circumstances around this morning's tragic events as soon as possible."

There is a former diplomat on board as a private citizen. The israeli embassy told me a couple of minutes ago that some Americans on board may have been injured during the incident. They are checking but wanted to give a heads up. [redacted]

Looping in Dana Smith for sense of how this is playing in Middle East. There are protests in turkey [redacted]

B5

On another aspect, NPR reports a former US diplomat as part of the flotilla. We'll need to confirm and check his status.
