B6

[redacted]

B5

As for the piece, I thought it was in decent shape as of midnight last night, with a few things still needing to be added and refined, but certainly something you could work with. But this morning AMS has re-jiggered the whole beginning and, frankly, I'd like to go back and work with the previous version.

[redacted]

Maybe

you should look at the current version as well as the one from midnight.
