Hillary,	
Jack Lew to replace Orszag. It so snuff and that cutting Clinton Ad If you have not made a final dec President rightfully promised to running the world. Someone will be someo	u this note with the recent encouraging news of President Obama's decision to appoint eems the President himself is beginning to understand that his team hasn't been up to dministration people out of big jobs is hurting them. ision on who might fill Jack Lew's shoes, I would like to offer some thoughts. The reset State's capabilities. From an outsider's perspective, it seems Defense is still ho is capable of working the big mega questions like this would be a great asset to you.
You have probably heard by nov	
management job and because	had the big management job during the Clinton Administration it may be a natural fit.
I do recognize that it goes again offered this position in 95	·
I have known or many ye	ears, although we hadn't kept up much with one another until we found ourselves on
	er during your campaign. In the 80's and 90's
	uncertainties, you might want to consider adding to your list. I know pur team and work seamlessly with Cheryl.
Best to you and President Clinto	on
