Dear Tom,

I got your voice message from Sunday. Thanks for taking time from your crazy schedule to call me. I think we have a call scheduled in the next few weeks. I look forward to hearing more about your conversation with [redacted]—he would love to get his UC Berkeley Center more involved in US foreign aid activities. [redacted]

[redacted]

Take care,
Laura

PS. I will be a member of President Obama's new Jobs Council headed by Jeff Immelt—first meeting schedule for Thursday February 24 in DC.
