**Subject:** DoS report shows Palau continues as top voter w/US in UN

Palau continues to vote with the U.S. in the U.N. more than any other member. Attached is the latest State Dept. report on U.N. votes preceded by a chart summarizing voting with the U.S. distilled from the report. Your help is needed to get the 2010 Agreement to continue free association between the US & Palau approved by Congress, where there is universal support for it but universal disagreement with the Administration's proposed offsets. Jeff Farrow
